

GradePad, an iPhone/iPod touch assessment tool, is now available at the iPhone App Store for \$1.99.

Check out www.gradepad.com for 50 other GradePad rubrics.

Look for a free NECC version on June 28th.

The "Pro Edition", available on July 4, includes a GradePad.com account so you can share **GradePad** rubrics, create groups & assessments online, and manage assessment data for tracking and reporting purposes.
